

Frequently Asked Questions (cont'd)

What are the high school requirements for transfer students? Students transferring to a Georgia high school will follow the graduation requirements that were in effect in the year the transfer student was a first-time ninth grader.

Can middle school classes (6th, 7th, 8th grade) count towards high school graduation? Yes. Credit may be awarded for classes such as foreign language, mathematics, and science. Talk with a middle school counselor or high school counselor/graduation coach.

Why should I take a foreign language? Students choosing a career that requires a college education should take 2 years of the same foreign language. Although foreign languages are not required for high school graduation, most colleges/universities do require foreign languages for admissions.

Can American Sign Language be used to meet foreign language requirements? Yes, 2 units of American Sign Language will satisfy the requirement.

What is the Georgia Virtual School Program? The Georgia Virtual School Program is provided by the Georgia Department of Education to offer instructional high school programs online for students. Preference is given to students enrolled at Georgia public schools.

Do I have to take the SAT or ACT? Taking the SAT or ACT is not a requirement for graduation from a Georgia public high school. However many colleges and universities do require scores from the SAT or ACT for admissions. Be sure to check the admissions requirements for the school that interests you.

After high school, what next? You have many options open to you after you graduate from high school.

- Go to college/vocational school
- Attend an apprenticeship training program
- Volunteer
- Join the military
- Get a job

Some local schools may have additional requirements for graduation. For specific local requirements, please contact your school counselor or graduation coach. The material contained in this pamphlet is current as of March 2009. For the most current information visit our web site:
